

Terms of Use - WrSoftware

1. Acceptance of Terms

By using the WrSoftware system, you agree to these terms of use. These terms may be updated periodically and continued use of the system implies acceptance of the updated terms.

2. License

The user is granted a non-exclusive, non-transferable license to use the software. Copying, reselling, or distributing the software without authorization is prohibited.

3. Restrictions

It is forbidden to reverse engineer, modify, or tamper with the software. Unauthorized sharing or use outside the contracted environment is strictly prohibited.

4. License Validation

The software requires a valid license file (licenca.xml) to operate. If the license expires or is removed, access to the software will be restricted.

5. Warranty and Liability

WrSoftware is provided as-is, without any warranties. The developer is not responsible for losses or damages resulting from the use or malfunction of the system.

6. Support

Support is available only to licensed users. Contact via WhatsApp or email provided on the official website.

7. Termination

Failure to comply with these terms may result in termination of access to the software.
